To Bad Jurist

Hello my name is Christopher Buchanan ADC #176655 currently at Grimes Unit 300 Corrections Dr Newport AR 72112.

I would like to report Bad judges on multiple civil matters Patricia S Harris a Magistrate Judge on a recent case 3:23-CV 00190-KGB-PSH who continue to show bias toward inmates and not applying the constitution nor reading complaints and on my second complaint further more purposely she threw out my TRO and Preliminary Injunction and my second complaint which I am 100% sure should have made it in not only is she support ADC But the evidence I have against them is beyond factual proof and the truth I also stated that she has continue to be bias toward me in another case 3:23-CV00096-JM-PSH along with another judge 2:21-CV-00013-DPM-ERE D.P Marshall Jr. and Magistrate Judge Edie R Ervin. these judges are not applying the constitution how it suppose to be nor are they giving inmates like me a chance in court who have the evidence, I have won 3 cases but wasn't the value of what it really should have been especially my first case 2:21-CV-00013-DPM-ERE and Second 2:21-CV-00096 JM PSH if you were to analyze my case along with my Exhibits you'll see that it should have been won but not for the amount settle for. further along if you follow my new case and see the evidence and supporting Documents on 3:23-CV-00190-KGB-PSH. I promise you I would not waste your time on nonesence But this truely need to be exposed the wrongful action of these Judges in Eighth Circuit and bias motivative toward inmates.

Thank you for your time I do hope that you look into it and be able to developer story off these cases.

Sincerely
