

Parted Two off letter I sent you.

I have faced other Demons Alone, like when I was Attacked here At s.s.c. At the time I was forced to work to get my good time, (7 days a month etc) since I am Disabled & have bear line MR & Double PTSD, SoTP Not required to kSR 197.045(4) & Per Juf Judgments & memo dated 9/17/2013 & I have getting good time before knowe coming back on PR they want give it to me (BS) & this is against the courts & my rights, but will working for Aramark which is also a Parted off my civil Action, I was Puted on lite duty but was still able to work with a blue & Purple leg & medical would Not take Photos, But Dr. Feala a mental health Doctor sayed he would stand in on for me if my civil Action went to court & he would hand over he's Emails & what ever else & go in Details what my leg looked like. But I was fired from my kitchen job has a floater-linebaker do to my Disabled Issued & I Also goted wrote up, They would not Remove me from the PayDocket & that stoped me from getting another job, & they would Not Pay me Either (ADA rights) & Aramark is bad for the Prison System they have strong Issue with LGBTQIA People working in the kitchen, & when your Rhu are the yard you do Not geted your full Portions

51

the food never hot & the milk Always Smell like Rotting Eggs Are has a bad Tasted, There fly's & other bugs flying around the Juice & the Apple Juice is always water downe & other Juice always Never have sugar in & there been times a Reports staff & gangs wheel peeing in it, & we get Process Meat, & the meat Always green & smells funny & there was times it had green flies in it & they served it to us any way & cop Tayler was told abouted it, but Did No Reported are took any other action, You Pull things out in the kitchen which they have us do right before they gated word someone coming too check on a reported, There's been Mold & they Just Paint over it, there No air out where inmates eat & there really No where to seat & you got to stand & eat sometimes (fire & safety issue) They over Charges over on fresh Javort & wont give I care like other Prison & we get special Meals Rhu Never gets they Same has the yard (BS) & there always using left over for the nex day ore when it's nex on the Menu, The cool do wn beans, Noodles & other stuff & Puted back in the cooler, & then like bread & Cakes they do the Same. Just to save money & Aramark Showes a Menu & it might look good on Paper but that's not what where Eating. & we eat breakfast at 6 AM then lunch at 10:30 then Dinner at 5:30 then there that big time for ones in seg with nothing eat.

& Since wellPath Provides Medical care in All Prison & used to be Corecare but do many law suits they went broke & wellPath was Parted off my lasted civil Action I won. & there Care sucks like when I was At little Sandy & they made me sleep on a top bed knowing I had Mild seizure & I had one & fell off it & broke my collarbone & done some damage to my L Leg then also, They would not take me out to have it looked at Atc just gave me a Pain Pill & sent me back to the Dorm I brought this up to my Probono Attorney & in grievance I filled too exhaust administrative remedies & which come up lasted are Trashed they come even my staff conflict grievance I filled also at C.S.C. where a guard Pored my door & leted 5 i/u ran in on me & started beating me up, but I was the one too force to live in Rha has a PC tarne against my will because off warden Larry D. Chandler. & Mental health staff Miler & uA McGuire which her husband works at S.G.C.C. has A D/w & Nex when I was At green River I was Attaked I MY head beating off the hard floor & bounced off the Ice mazine & was kicked in the Ribs many times & head, & medical sayed I had a loted of head trama but Did nothing more gave me a Pain Pill & sent back to the Dorm then nex Day at Breakfast gongs friends of the guy who tried to Rape me & Accused me of taking he's staff, had theme smake me with close listed with key Rigs around there

there fingers than he picked up a Troy & started beating me with it, & did not go to the hole but they did because I did not fight back. But warden Mazza pulled me in a offices off video & put his hands around my neck & told me I hate Thomas & trans, & you will not writting any letter on Doc are worked in the Chow hall longs has I am worden are any where else I am warden, I have never gated any type off Justice for any of thisd. & I brought it up to Dr Feak at Ntc because come to find out Doc put Mazza has warden at Ntc & I told Dr Feak what he did & he sayed you should never been shipped here any way what was they thinking with your mental health h & trauma you been threw Putting you in a open Dorm is Not a good IDEAL. Then you gated UNSUPPLY which runs the stor S in the Prison know & they over charge on every thing & never keep any thing in stock & keep things in mind what the Z/M wants & they never order a Noath for the Z/M on the yard. & they will Not give us are UNSUPPLY catalog do to Z/M Ripping it up & when we did have Items we did order was out dated Steal etc & they took are Media APP from us on Are Tablet & do to some l/u haking into & taking money from Inmate Accounts that had sexcase are was Trans & they keep saying there going too fix it (BS) so us on the yard & Rhu can move money from Z/M Account to Are Debt to Are Tablet so we can buy games, Rent movies, etc But Doc wont help & we even wrotes the B-B & the Done Nothing.

& I have reached out to many for help, & either there turing a blind Eye are mail room Trashing my stuff, Place I reached out to & never got to me, unite Appellate group, JailHelper.com Provident Sterling to see what others are saying abouted me, Hale & Monica Trial Attorneys, Transgender Administrative committee, American Association Justice, JDI which also stop sending me cards & letters, Black & Pink, which Also stop sending my both free LGBTAI News letter, Editor of Prison Legal News Paul Wright, Tloc. National center for Transgender Equality, American civil Liberties union, Lambda Legal National Headquarters, Sylvia Rivera Law Project, Transgender Legal Defense & Education fund, Transgender Law center, National LGBTQ Task force, Gay & Lesbian Advocates & Defenders (GLAD) which also stop my News letter, US Department of Justice, Civil Rights Division, Special Litigation section, & Fortune Society which also stop my News letter. & have tried to get with many groups but thisd Prison @only rejects theme onley do theme asking for a sase such has Surrogat sister, Surrogat sisster.com & LPS. Email Elite Paral equals@4thoo.com. I tried to order vintage Adult Novels from Bigshot Products which Also come from P/N Class ifrieds & the mail room gave me the info than little D Issac write me up saying I had Child Porn (Bs) The write was Dropt, Than he tried to teall every one Sey he found child Porn in my cell, than he

(6)

told one of his informants abouted it, then went out to the  
gangs on the yard & told them which puts a bigger  
label & Target on back & brought this up in  
Mont letters to Doc & the warden & my Summary  
Judgment motion I done since this is a ongoing issue
