Im writing to expose the Scott County
attorney Kelly G. Cunningham-Hann who presides
over the Court in DAVENPORT, IOWA. Kelly

false evidence, Planting false evidence!
I was wrongfully convicted 2x and sent
to prison 2x's, she sexually manipulated

prove my innocence but my court appointed
never subpoena'd Medical Records of the
so called victim and he filed a Boquess -
fruit of a poisonous tree / Junk science -
Infested Rule of Evidence to block all of
my defences, he was working with the
state! I filed a P.C.R. also that was denied
PCCE 136817 in Scott County & a couple of
habeas Corpus's and Multiple Pro-Se Motions -
Briefs in IOWA Supreme Court (un)"direct"-
Appeal that you should check out.

This is a monstrous (racist) Prosecutor,
 at (1) time in my trial she called me a
 moron, The Judge and my lawyer
 are just as Treacherous as she
 is! In the States Motions of 9-13-23
 they listed the case #'s of my prior

Post Conviction Reliefs, I want your
 agency to check out my (old) prior
 Pro-se motions they shed so much
 light on Kelly G. Cunningham-ham, in
 so exhausted from fighting and

comparing on her - she was fired
 from Scott Co in 2016, but ran
 for D.A. in 2022 and won - SMH,
 in October of last year she let a

girl who Scammed cancer
 patients out of \$29,000 go!

she sexually manipulated and Blackmailed me for years! Please look at case# CV09 06007 in Polk County/Des Moines Iowa to get a deep under standing of this case. The way she manipulate the Evidence; courtroom is a Shame! The cops in my trial was friends of the Jury, the Jury was friends of Prosecutor and they all was Victims of Burgary. I might get transferred to Newton Iowa Prison soon or released. My address in the free world is 1600 Castle Park Dr Apt 310, St. Louis, Mo 63133
