To Whom It May Concern

My name is Cornell Winfrei McClure and I'm truly innocent for the first degree murder, kidnapping and use of a firearm charges I was **WRONGFULLY CONVICTED** for.

I'm writing this letter for two reasons:

REASON #1: There was semen found inside of the female victim, Tessa Mae Osborne, along with a pubic hair that originated from someone caucasian that was found when a rectal swab was conducted on the victim. Even though the DNA collected did NOT match my co-defendant, Rufus J. Millegan, Jr, or myself; to date, the identity of who that DNA originated from has never been revealed.

I would like that DNA tested for the purpose of finding out who that DNA originated from because: the day BEFORE the victim went missing and was probably murdered, the victim had gotten into a altercation with her boyfriend, Thomas Lawton, because - to make a long story short - the victim was accused of cheating on her boyfriend. And due to the victim's boyfriend being an African-American, and the pubic hair originating from someone who is caucasian, would possibly support the theory that: the boyfriend killed the victim because she was cheating on him. Because, unbeknownst to many, the boyfriend was the last person in possession of the murder weapon that the FBI was searching for (that the prosecutor - at my trial - claimed that my co-defendant and I possessed, even though the prosecutor knew it was taken in a home-invasion-robbery at the hands of victim's boyfriend days to weeks PRIOR to the victim's demise).

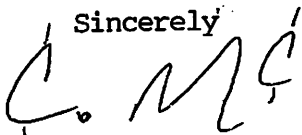

So, if I could get you to help me get that DNA tested, and we can identify who it originated from, then I could have a private investigator interview the individual and find out what relations or ties the individual had with the victim before her demise.

My second reason for writing this letter is:

REASON #2: I'm trying to bring awareness to my misfortunate situation by giving out free copies of my book entitled "WRONGFULLY CONVICTED" by CORNELL W. MCCLURE. The book is about everything dealing with my case and how I got convicted for a crime I didn't commit. So, if you are willing to read it, then please write me back and let me know - SPECIFICALLY - by NAME who I should send a copy of my book to.

Thank you for taking the time to read this letter and I hope to hear back from you in a timely manner.

Sincerely

Cornell W. McClure

The Untold Story About How Two Men Were Accused and Convicted of a Murder They Did Not Commit

CORNELL "DROOPY" MCCLURE

THE SCALES OF JUSTICE HAVE FAILED!

ON MAY 1ST, 2001, 18 YEAR OLD TESSA MAE OSBORNE WAS SCHEDULED TO WORK AT THE CO-OP GROCERY STORE A SHORT DISTANCE FROM HER HOME, BUT NEVER ARRIVED FOR HER SHIFT. THE NEXT DAY, TESSA'S LIFELESS - BULLET RIDDLED - BOY WAS FOUND IN A FIELD BY TWO GROUND KEEPERS. NEWS OF TESSA'S DEATH CAUSED FAMILY, FRIENDS AND ASSOCIATES OF THE VICTIM TO QUESTION: WHO WOULD WANT TO KILL TESSA AND FOR WHAT?

JULY 4TH, 2001, THE FBI ANNOUNCED THAT THEY ARRESTED CORNELL W. MCCLURE (AKA DROOPY) AND RUFUS MILLEGAN JR. FOR THE MURDER OF TESSA MAE OSBORNE CHRISTOPHER R. BRAGA OF THE FBI STATED THAT THE TWO SUSPECTS ADMITTED TO COMMITTING THE CRIME AND GAVE HIM A SIGNED, SWORN, STATEMENT. MCCLURE AND MILLEGAN WERE CHARGED WITH 1ST DEGREE MURDER, KIDNAPPING AND THE USE OF A FIREARM, AND FACED THE DEATH PENALTY IF CONVICTED.

MILLEGAN EVENTUALLY PLEAD GUILTY TO AVOID THE DEATH PENALTY, WHILE MCCLURE WENT TO TRIAL AND WAS EVENTUALLY FOUND GUILTY ON ALL CHARGES. BOTH ARE CURRENTLY DOING LIFE, BUT THE QUESTION IS: DID THEY REALLY COMMIT THE CRIME THAT THEY ARE PRESENTLY DOING LIFE FOR?

MCCLURE IS NOW BREAKING HIS SILENCE ABOUT THE INJUSTICE HE HAS SUFFERED AND ENDURED, ALONG WITH "TELLING-ALL" ABOUT WHAT MANY WANTED TO KEEP A SECRET. THIS IS THE UNTOLD STORY OF HOW MCCLURE WAS TARGETED, FRAMED AND WRONGFULLY CONVICTED FOR A MURDER HE DID NOT COMMIT.
