

To Whom It May Concern,

My Name Is Andrew Phillip Kingsbury. I'm 31 Years Old And Have Been Incarcerated For Over 10 Years. I Came Across Your Article And Wanted To Share My Story Of A Public Defender Representing Me In A Attempted Murder Trial. During Opening Statements, My P.D. Stated "You Will Have No Choice But To Find Mr. Kingsbury Guilty". And Sat Down. The Judge Looked At Me Perplexed. Along With The Court Reporter. I Told Her What She Said But After Denying She Misspoke. Only Addressed It During Closing Statements By Telling The Judge She's Thankful What She Says In Court Isn't Evidence! I Mean, Way The ~~Article~~ Court Of Appeals Didnt See That As Ineffective Assistance Of Counsel. Still Has Me Guessing. But If You Would Like A Copy Of The Actual Trial Transcript Showing Her! Exact Words. Write Me Back And

In Grady Saw A Copy To Help Back My
Story And The Judge At Sentencing Also Made
Sure I Can Never Have The 12022.53(D) Gun
Enhancement He Sentenced Me too Removed Or Stricken.
He Stated Even If He Could Stay, Or Dismiss
The Gun Enhancement That Gave Me 25 Years To Life
On Top Of The 9 Year Sentence For The ~~Case~~
Primary Offense Of 2nd Degree Attempted Murder.
It Just Seems Like The Judges Love Giving The Max
Sentence They Can, Even Though I Had Just Turned 21
Years Old, And Had Never Been To Prison Now,
This Is My First Time In Prison, And Can Be
My Last. I Hope My Story Makes The Cell

- Sincerely

Andrew,
